

Resumption of Work on Guaruja II Shipyard

PRESS RELEASE

Wilson Sons Limited (“Wilson, Sons” or the “Company”) announces to the market that an agreement has been ratified between our subsidiary Wilson, Sons Comércio, Indústria e Agência de Navegação Ltda (“WSCl”) and the Prosecutor of the State of Sao Paulo, revoking the subpoena that determined the suspension of construction of the Guarujá II shipyard (as announced on June 8th, 2011). In the agreement, the Company will be making social and environmental investments in projects for the city of Guarujá from 2011 through 2014. In this period, up to R\$ 5 (five) million Reais will be invested in these projects. All the projects are located within the shipyard’s area of influence, in the city of Guarujá. Civil works for the shipyard will resume immediately.

Wilson, Sons believes that environmental responsibility is as an intrinsic part of doing business. As such, the Company dedicates special attention to environmental issues, focusing on the sustainable development of its activities, products, and services, establishing environmental preservation as one of its top priorities. Wilson, Sons considers the cultivation and promotion of an environmental responsibility among its employees and partners to be an integral part of its management philosophy.

About Wilson Sons

Wilson, Sons, through its subsidiaries, is one of Brazil’s largest providers of integrated port and maritime logistics and supply chain solutions. With a business track record of over 170 years, the Company has developed an extensive national network and provides a comprehensive set of services related to domestic and international trade, as well as to the oil and gas industry. Its principal operating activities are divided into the following lines of business: Port Terminals, Towage, Logistics, Shipping Agency, Offshore, and Shipyards.
