

Suspension of Work on Guarujá II Shipyard

PRESS RELEASE

Wilson Sons Limited ("Wilson, Sons" or the "Company") (Bovespa: WSON11) hereby announces to the market that its subsidiary, Wilson, Sons Comércio, Indústria e Agência de Navegação Ltda ("WSCl") received, on 06/06/2011, subpoena from a Judge of the Civil Court of Guarujá, filed by the Prosecutor of the State of Sao Paulo against WSCl, the environmental authority of São Paulo ("CETESB") and others, to suspend work, construction, deforestation, removal or cutting of vegetation at the location described in the installation license No. 18001111, for the Shipyard Guarujá II, giving reason that "there is a possibility that the area may be subject to permanent preservation."

Before the commencement of works for the construction of the shipyard, WSCl completed all environmental licensing procedures determined by CETESB, the competent state agency, and the installation license was granted on 31/03/2010.

We confirm that the Company will not hesitate to defend the project before the competent authorities and take all appropriate legal measures to uphold the installation license.

About Wilson Sons

Wilson, Sons, through its subsidiaries, is one of Brazil's largest providers of integrated port and maritime logistics and supply chain solutions. With a business track record of over 170 years, the Company has developed an extensive national network and provides a comprehensive set of services related to domestic and international trade, as well as to the oil and gas industry.
