

**PRESS RELEASE**

Wilson Sons Limited (BM&FBovespa: WSON33) announces to its shareholders that on 5 March 2017 its TECON Salvador container terminal took delivery of three rubber-tyre gantry (RTG) cranes. The equipment, valued at US\$4.9 million, forms part of the Company's ongoing commitment to increase capacity and improve efficiency across all its Brazilian port infrastructure assets. The equipment will be installed on the terminal patio. The equipment was purchased from Shanghai Zhenhua Heavy Industries (ZPMC).

The acquisition of the equipment reflects the Company's commitment to terminals productivity gains and efficiency improvements. Wilson Sons recently renewed the Salvador terminal concession in November 2016 for a further 25 years until 13 March 2050, and the Company is obligated to complete minimum expansion and maintenance capital expenditure through the end of the concession. The investments in the Second Amendment are divided into R\$398 million (Three hundred and ninety eight million Brazilian Reais) related to the expansion of the terminal and R\$317 million (Three hundred and seventeen million Brazilian Reais) related to maintenance, using values of base date December 2013. These investments will be completed in phases during concession to guarantee the terminal to reaches a dynamic capacity of 925 thousand TEUs per year.
